Board of Trustee Officers Named

Lorine Samuels will remain the Chair of GSU's Board of Trustees for another year. She was named Chair at the April 18 Board meeting. In addition, Jack Beaupre will remain as Vice Chair and Kristi DeLaurentiis will act as Secretary.

Preceded by morning meetings of the Board's Human Resources and Academic Affairs committees, the full Board dealt with several important issues during their regular meeting. Dr. Ejigu, GSU's Executive Vice President, presented information on the university's emergency preparedness. He noted that GSU's Emergency Response Team has taken many integral steps to continue that GSU campus remains safe and are pursuing ongoing initiatives.

PBAC co-chairs, Dean John Stoll and Dr. Karen D'Arcy, gave a strategic planning update. Their presentation included information on the updated university mission and the development of strategic planning goals. The plan will be tested in a series of charrettes on May 9, 12, 13, and 14.

In addition to the election of the Board officers, the trustees also approved several resolutions, many of which deal with ongoing infrastructure maintenance.

The next Board of Trustees meeting is scheduled for June 13, 2008.
